

BGU 60

Bolted head plate, KHU 60

The head plate BGU 60 is used for mounting bracket holder KHU 60 on ceilings. It is bolted to the bracket holder and dowelled to the ceiling. STU 60 and STU 62 vertical ladders can also be attached to the ceiling and/or floor using the head plate BGU 60. We provide components in various materials and surface finishes to ensure that the corrosion requirements are met for all sorts of applications.
