

BKRKS 110

Floor duct reducer, height = 105 mm

The floor duct reducer BKRKS 110 enables a cable protection hose to be connected to a floor duct. It is 105 mm high and is made of sendzimir hot-dip galvanised steel. The side rail of the floor duct is cut out where the cable protection hose is to be attached. The floor duct reducer is then bolted to the cut-out, the hose with the adapter is inserted into the reducer and bolted in place. Possible diameters of adapters are M20/M25/M32/M40/M50/PG13.5/PG21/PG29.
