

RAPIDO-Clamp Type M

Adjustable sheet steel collar

To match our RAPIDOBAT® formwork tubes, we carry various accessories that ensure easy erection, casting and stripping of the formwork tubes. These include RAPIDO-Clamp Type M fixed or adjustable sheet steel sleeves with Dywidag tie rods. The sleeves are used for safe alignment with tension and compression struts. The accessories are suitable for five different formwork tube diameters and can be purchased in a set of two.

Artikel	Typ	W
