

RBD

Cable tray bend cover

The cable tray bend covers RBD are suitable for RB cable tray bends 90° and protect them from dirt and moisture. They snap into place and interlock with the side rails. If the covers are to be used outdoors, additional securing brackets to protect against wind are required. We provide components in various materials and surface finishes to ensure that the corrosion requirements are met for all sorts of applications.

Artikel	Typ	B	direction	W	W
RBD 10S	Cable tray bend cover RBD 10S	106 mm	horizontal	90°	0.120 kg
