

RBDR

Cable tray cover with turning bolts

The cable tray bend covers RBDR are suitable for RB cable tray bends 90° and protect them from dirt and moisture. They snap into place and interlock with the side rails and also have turning bolts for additional attachment to the bend. If the covers are to be used outdoors, additional securing brackets to protect against wind are required. In this case, the twist lock alone is not sufficient as a retaining element. We provide components in various materials and surface finishes to ensure that the corrosion requirements are met for all sorts of applications.

Artikel	Typ	B	direction	W	W
RBDR 10S	Cable tray bend cover with bar lock RBDR	106 mm	horizontal	90°	0.165 kg
RBDR 20S	Cable tray bend cover with bar lock RBDR	206 mm	horizontal	90°	0.390 kg
