

RBVDR

Cable tray bend cover, variable with turning bolts

The cable tray bend covers RBVDR are suitable for variable RBV cable tray bends and protect them from dirt and moisture. They snap into place and interlock with the side rails and also have turning bolts for additional attachment to the bend. If the covers are to be used outdoors, additional securing brackets to protect against wind are required. In this case, the twist lock alone is not sufficient as a retaining element. We provide components in various materials and surface finishes to ensure that the corrosion requirements are met for all sorts of applications.

Artikel	Typ	B	direction	W	W
RBVDR 05S	Cable tray bend cover RBD 10S	56 mm	horizontal	var.	0.091 kg
RBVDR 10S	Cable tray bend cover RBD 10S	106 mm	horizontal	var.	0.168 kg
