

RIBDS

Installation cable tray bend cover, heavy

The installation cable tray bend covers RIBDS 90 are suitable for RIB installation cable tray bends 90 and protect them from dirt and moisture. They snap into place and interlock with the side rails. If the covers are to be used outdoors, additional securing brackets to protect against wind are required. The cover is made of sendzimir hot-dip galvanised steel.

Artikel	Typ	B	t	direction	W	W
