
UA 3

Cover plate for 3x UDAE

UA 3 components from the underfloor systems range are square cover plates with three square openings. As a system-related accessory, the one-piece plates can be snapped onto UG mounting boxes and are used to install up to three UDAE installation devices with suspension brackets. The installation boards are made of high-quality ABS copolymer (ABS) in graphite black (RAL 9011). They have a matt surface and an installation dimension of E 48 mm.

VDE tested according to: DIN EN 50085-2-2

CE-Zeichen (Conformité Européenne): Ja

VDE-zertifiziert: Ja
