

UA B 226

Cover plate, dummy

UA B 226 components from the underfloor system range are one-piece dummy cover plates that are system-related accessories for UG mounting boxes. The square boards are snapped onto the mounting boxes, e.g. as contact protection when using power technology. They are made of high-quality ABS copolymer (ABS) in graphite black (RAL 9011) and have a matt surface. The cover plates are 226 mm long.
