

UBEBGT

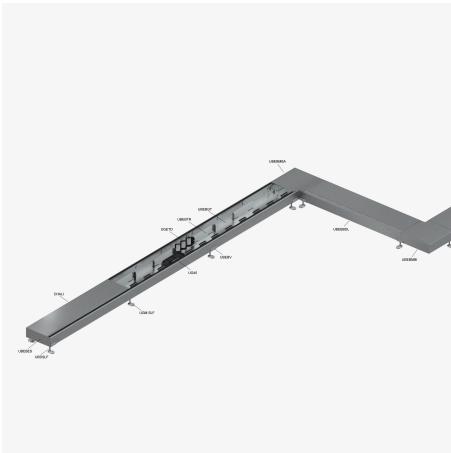

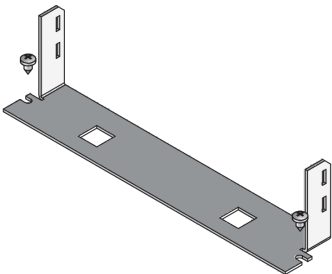

Device carrier fixture

UBEBGT product solutions are elements for holding mounting boxes and data carriers within the screed-flush CHALI duct systems, which are bolted into the brush duct. These mounting components are made of sendzimir hot-dip galvanised sheet steel in accordance with DIN EN 10346. They are 244 mm long, 45 mm wide and 63 mm high. They have VDE/TÜV approval according to DIN EN 50085.
