

UDA22-KS

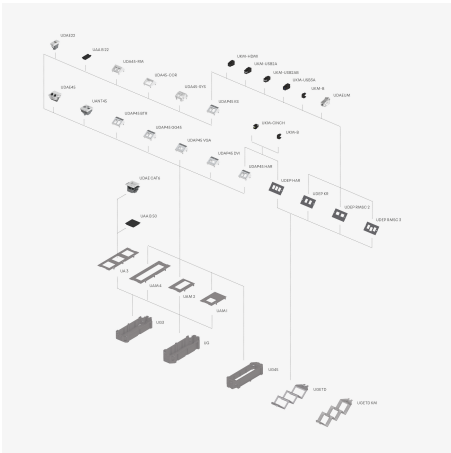

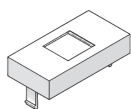

Data cover, Keystone, 22.5x45 mm

UDA22-KS components are data covers from the underfloor systems product range. They are used as a cover for a keystone module with dust protection. UDA22-KS are compatible with various modules made by different manufacturers. These include Brand-Rex, CobiNet, Corning, Dätwyler and Telegärtner. The data covers are made of high-quality polycarbonate in white.
