

UDAP45-BTR

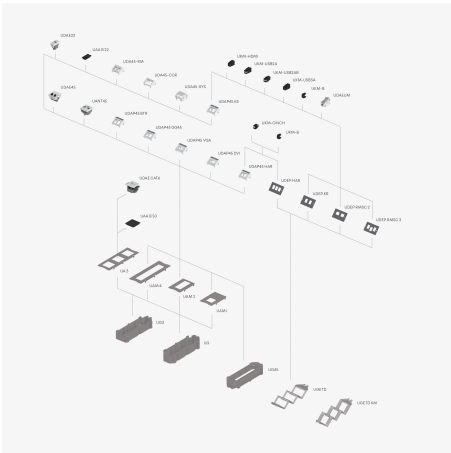

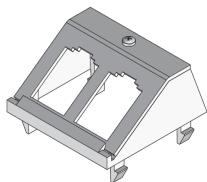

Data cover, BTR, 45x45 mm

UDAP45-BTR components are double data socket covers from the range of installation devices for underfloor systems. They are inserted into installation boards at an angle of 30°. The 19.35/21.55x14.85 mm mounting holes can then be fitted with two BTR modules. The data covers are made of high-quality polyamide in black.
