
UDEP 5PCOM

Mounting board, plug-in systems

UDEP 5PCOM components are installation boards from the underfloor system range. The boards are bolted into data device carriers and are used to accommodate a 5-pin snap-in connector socket or a snap-in plug with 400 V and 32 A. The installation boards are made of aluminium with a black coating on one side and have the installation dimensions of E1 18.5 mm and E2 31.8 mm.
