

UDEP 5PK

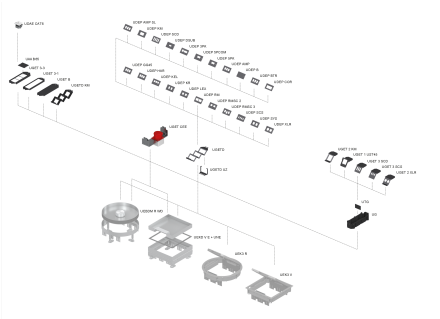

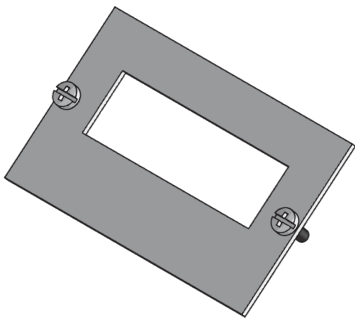

Mounting board, plug-in systems

UDEP 5PK components are installation boards from the underfloor system range. The boards are bolted into data device carriers and are used to accommodate up to three 5-pin snap-in connector sockets with 400 V and 16 A. The installation boards are made of aluminium with a black coating on one side and have the installation dimensions of E1 16.6 mm and E2 52.5 mm.
