

UDEP KR

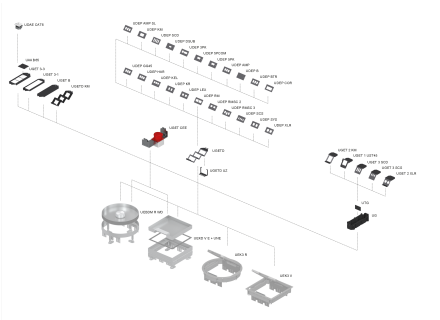

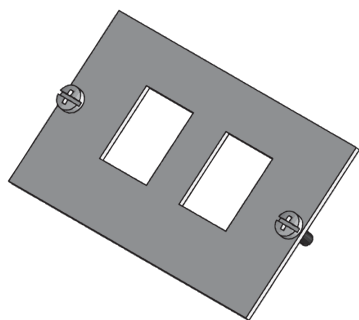

Mounting board, data technology

UDEP KR components are installation boards from the underfloor system range. The boards are bolted into data device carriers and are used to accommodate up to 2 data jacks from ADC KRONE or plug-in technology components from other manufacturers, such as Dätwyler, Telegärtner or Brand-Rex. The installation boards are made of aluminium with a black coating on one side and have the installation dimensions of E1 19.4 mm and E2 14.8 mm.

Artikel	Typ	H	B	data jacks	E1	E2	colour	W
