

UGE A3

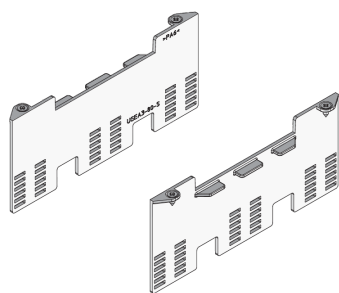

Snap-in ladder set for plastic unit, 3x

UGE A3 products are snap-in ladder sets from the underfloor systems range. These mounting components are used in installation units made of plastic where they serve as mounting frames for accommodating up to three mounting boxes. Using the set, mounting boxes can be mounted in the units by lowering them in stages. The snap-in ladders are made of high-quality polyamide in graphite black (RAL 9011). They are 186 mm wide and 55 mm high. Their locking range is 20 mm or 25 mm.
