

UGEAR

Snap-in ladder set for stainless steel unit, 3x, round

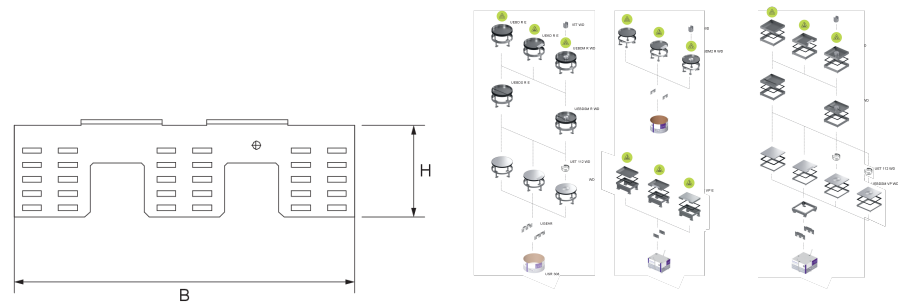

UGEAR components are snap-in ladder sets for accommodating max. 3 mounting boxes. The sets consist of two individual snap-in ladders that are attached to the frame of the installation units using suitable bolts. They are suitable for mounting on round stainless steel cartridges with cable or tube outlets. The products are made from sendzimir hot-dip galvanised sheet steel in accordance with DIN EN 10346 and have VDE/TÜV certification in accordance with DIN EN 50085. They are 190 mm wide, 55 or 84 mm high and have a locking range of 25 or 35 mm.

Artikel	Typ	H	B	mounting box	W
UGEAR-50S	lock-in lead set round, H=52mm,	54 mm	190 mm	3	0.217 kg
