

UGET 1 UST45

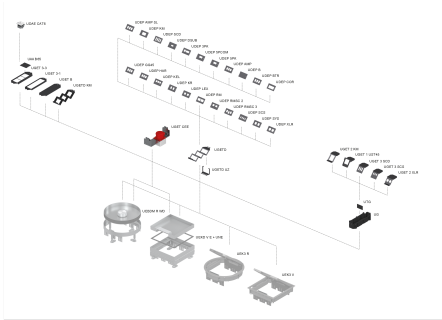

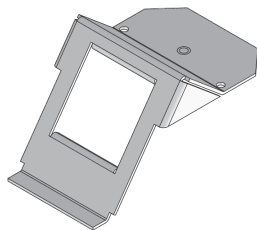

Mounting box assembly carrier installation devices

UGET 1 UST45 components are mounting box assembly carriers from the underfloor systems range. The installation supports are bolted into the UG mounting boxes and are used to accommodate an installation device with dimensions 45x45 mm made by PEHA, Legrand or Simon. The device carriers are made of sendzimir hot-dip galvanised sheet steel in accordance with DIN EN 10346 in black (similar to RAL 9011) and are available with installation dimensions of E1 40.5 mm and E2 40.5 mm.
