

UGET 3 SCD

Mounting box assembly carrier, fibre-optic technology

UGET 3 SCD components are mounting box assembly carriers from the underfloor systems range. The installation supports are bolted into UG mounting boxes and are used to accommodate a maximum of 3 SC duplex fibre-optic data jacks. They are made of sendzimir hot-dip galvanised sheet steel in accordance with DIN EN 10346 in black (similar to RAL 9011) and are available with installation dimensions of E1 26.4 mm and E2 9.8 mm.
