

UVBWI-2

Distributor block, Wieland

UVBWI-2 components are Wieland distribution blocks. The distributors have a lock, one input (1x3-polig) and outputs (2x3-polig) with through-wiring. The blocks are made of polyamide.

Artikel	Typ	Ausgang	Eingang	colour	W
UVBWI-S 2	Wieland distribution block t-shape	2x3-polig	1x3-polig	black	0.026 kg
UVBWI-W 2	Wieland distribution block t-shape	2x3-polig	1x3-polig	white	0.026 kg
