

WLHS

Wide-span cable ladder rail support

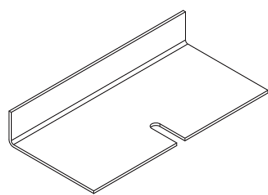

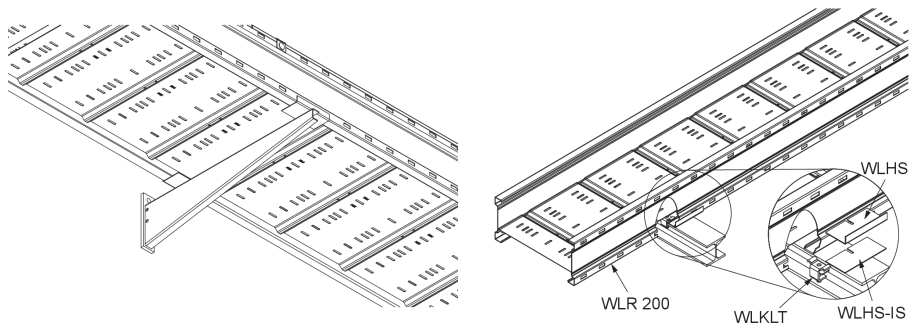

The wide-span side rail supports WLHS are used to attach WL and WLR 200 wide-span trays to brackets, profile rails or steel beams. Specific fixing accessories (WLKL, WLKLA or WLKLT) must be used depending on the application. We provide components in various materials and surface finishes to ensure that various corrosion protection requirements for different areas of application are met.

Artikel	Typ	H	B	L	t	W
WLHS S	Wide-span beam reinforcement WLHS S	25 mm	73 mm	150 mm	2.00 mm	0.442 kg
