

JVA+ZB

We provide custom-adapted brackets for bracing situations beyond the products described here and for facing bracing for our range of façade fastening products. The JVA+ZB additional component is available for fixing JVAeco+ brackets to thin ceilings.

Products	weight
JVA+175 ZB/7.0	0,752 kg
JVA+240 ZB/7.0	0,889 kg
JVA+365 ZB/7.0	1,154 kg
