

KOT K

Joiner, plastic

Plastic SH multiple cable holders can be joined back to back using the KOT K coupling part. This maximises the number of cables that can be accommodated. The coupling part is made of halogen-free and silicone-free polyamide and is available with two temperature resistance levels: It is flame-retardant up to 750 °C and up to 960 °C according to the glow wire test in compliance with VDE 0471/DIN IEC 695 part 2-1.

polyamide
