

OPTI Wall Strengtheners Combi-Pack

Set of OPTI wall strengthener and plugs

OPTI Wall Strengtheners Combi-Pack includes the OPTI wall strengtheners as well as the OPTI plugs. The elements of the set are made of plastic. They have an inner diameter of 22 mm, an outer diameter of 26 mm and are 150 to 400 mm long. The wall strengtheners are also available in other lengths on request, e.g. push-fit versions up to 450 or 500 mm long.
