

UDAP45-VGA

Data cover, 45x45 mm

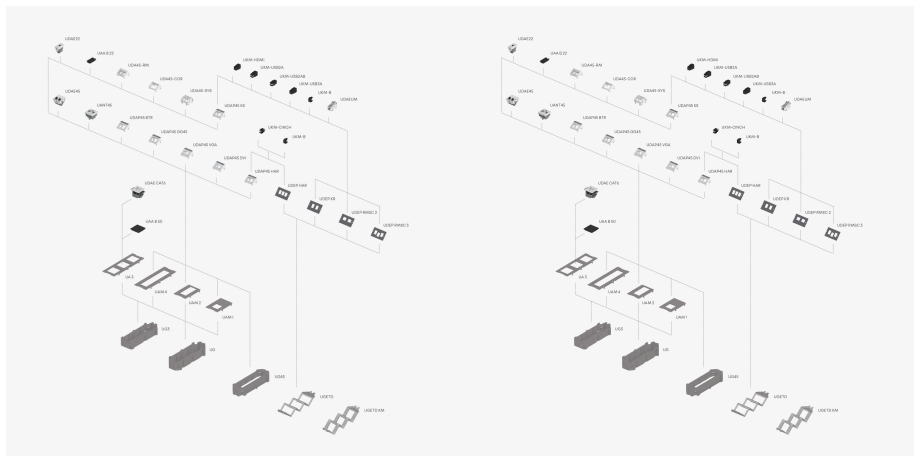

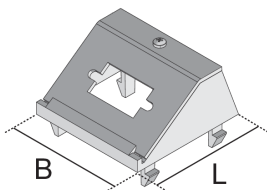

UDAP45-VGA components are 1x data socket covers from the range of installation devices for underfloor systems. They are plugged into the junction boxes at an angle of 35°. Their mounting holes with dimensions of 11.4x20.5 mm can then accommodate 45x45 mm VGA/D-Sub 9 connectors. The covers are made of high-quality polyamide in black.
