

UDEP 3PK

Mounting board, plug-in systems

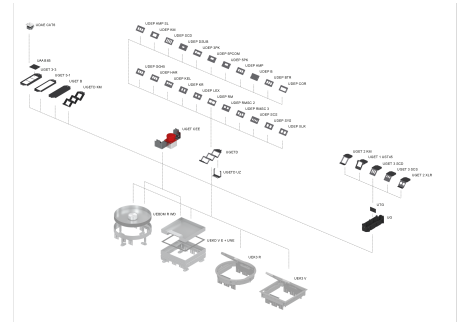

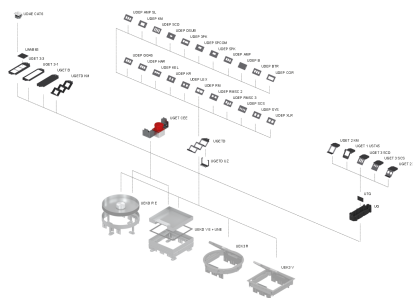

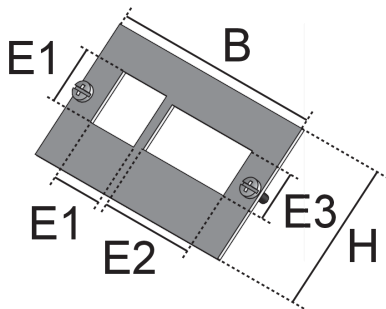

UDEP 3PK components are installation boards from the underfloor system range. The boards are bolted into the data device carrier and are used to accommodate up to three Wieland 2-pin snap-in connector sockets with 250 V and 16 A. The installation boards are made of aluminium with a black coating on one side and have the installation dimensions of E1 #AW.E1# mm, E2 33 mm and E3 15.6 mm.
