

UDKS R 4

Universal claw set for hinged cover, round

UDKS R 4 product solutions are universal claw sets from the underfloor system range. These claw sets are hooked into the frames of round installation units made of plastic where they ensure a firm connection between the round hinged covers and the frames of the units. This accessory consists of sendzimir hot-dip galvanised sheet steel in accordance with DIN EN 10346 and is supplied as a set of four claws with a clamping range of 30 - 50 mm.

| Products | k | weight |
|----------|------------|----------|
| UDKS-R 4 | 30 - 50 mm | 0,000 kg |
