

## UETD112 WD

Tube cover

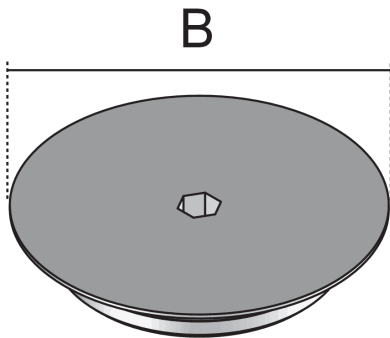

UETD112 WD components are tube covers – accessories from the range of stainless steel installation units. They have an elongated opening on the top. There, the covers are firmly bolted to the raised cable outlet, the UET112 WD tube, using an Allen key. The product is made of high-quality aluminium.

Products	color	W
UETD112-R-WD	aluminium	0,413 kg
