

PRODUCT INFORMATION

UG

Mounting box, angular

UG components are square mounting boxes consisting of a one-piece shell with a perforated base and a strain relief device for inserting the incoming cables. During assembly, the mounting boxes are snapped into installation units and can be equipped with three single or four snap-in modular installation units and two snap-in device connectors. The mounting boxes are made of acrylonitrile butadiene-styrene copolymer with a matt surface in graphite black (RAL 9011).
