

UG45

Mounting box, angular, open

UG45 components are square mounting boxes consisting of a one-piece shell with an open base and a strain relief device for incoming cables. The base can optionally be closed using a dummy cover. The mounting boxes are snapped into installation units and can be equipped with up to four 45x45 mm installation devices. The mounting boxes are made of ABS copolymer in graphite black (RAL 9011).

Products	H	H _{min}	B	L	color	installation units/outlet socket	W
UG45-4	40 mm	81 mm	74 mm	225 mm	RAL 9011 (graphite black)	4x für Kabel Ø 6 bis 12 mm	4 0,092 kg
incl.: 4 x UGZ
