

UGET 3-3

Device carrier, 3x UDAE

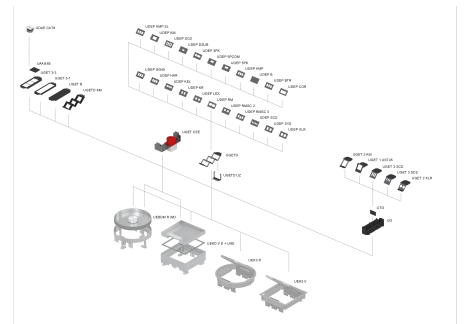

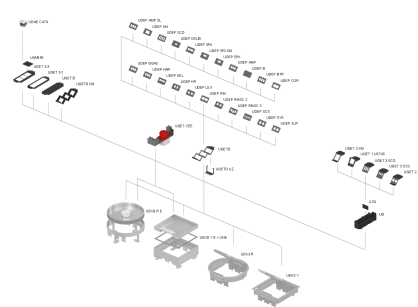

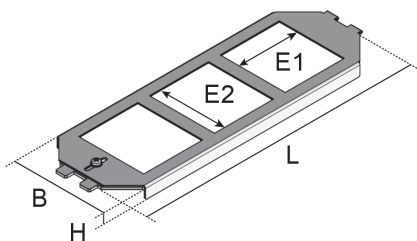

UGET 3-3 components are device carriers from the underfloor system range. They are placed in the corresponding mounting box from above, bolted in place and can then be equipped with up to three suspension bracket installation devices, such as an UDAE data connection socket. UAA B 65 covers reliably protect empty mounting holes. The device carriers are made of high-quality polyamide in black (similar to RAL 9011). They have the installation dimensions of E1 50 mm and E2 50 mm.

aluminium

Products	H	B	L	E1	E2	color	W
UGET-3-3 226	10 mm	74 mm	227 mm	50 mm	50 mm	RAL 9011 (graphite black)	0,114 kg

H: height
 B: width
 L: length
