

UKAZ

Attachment accessories

The product solution UKAZ is an attachment accessory for screed-covered duct systems. The duct segments are connected and formed parts are created using the accessory elements. The accessories are made of sendzimir hot-dip galvanised sheet steel according to DIN EN 10346.

Products	H	B	weight
UKAZ 35-40S	35 mm	400 mm	0,365 kg
UKAZ 35-50S	35 mm	500 mm	0,421 kg
UKAZ 60-40S	60 mm	400 mm	0,517 kg
