Wireless Charging

In order to always offer our customers the best solution, we are always energised – like our WCPS contactless charging infrastructure.

In-ground system

Discreet and elegant solutions that are integrated directly into the floor.

Raised floor system

Perfect for maximum flexibility with raised floors.

Top floor plateau solution

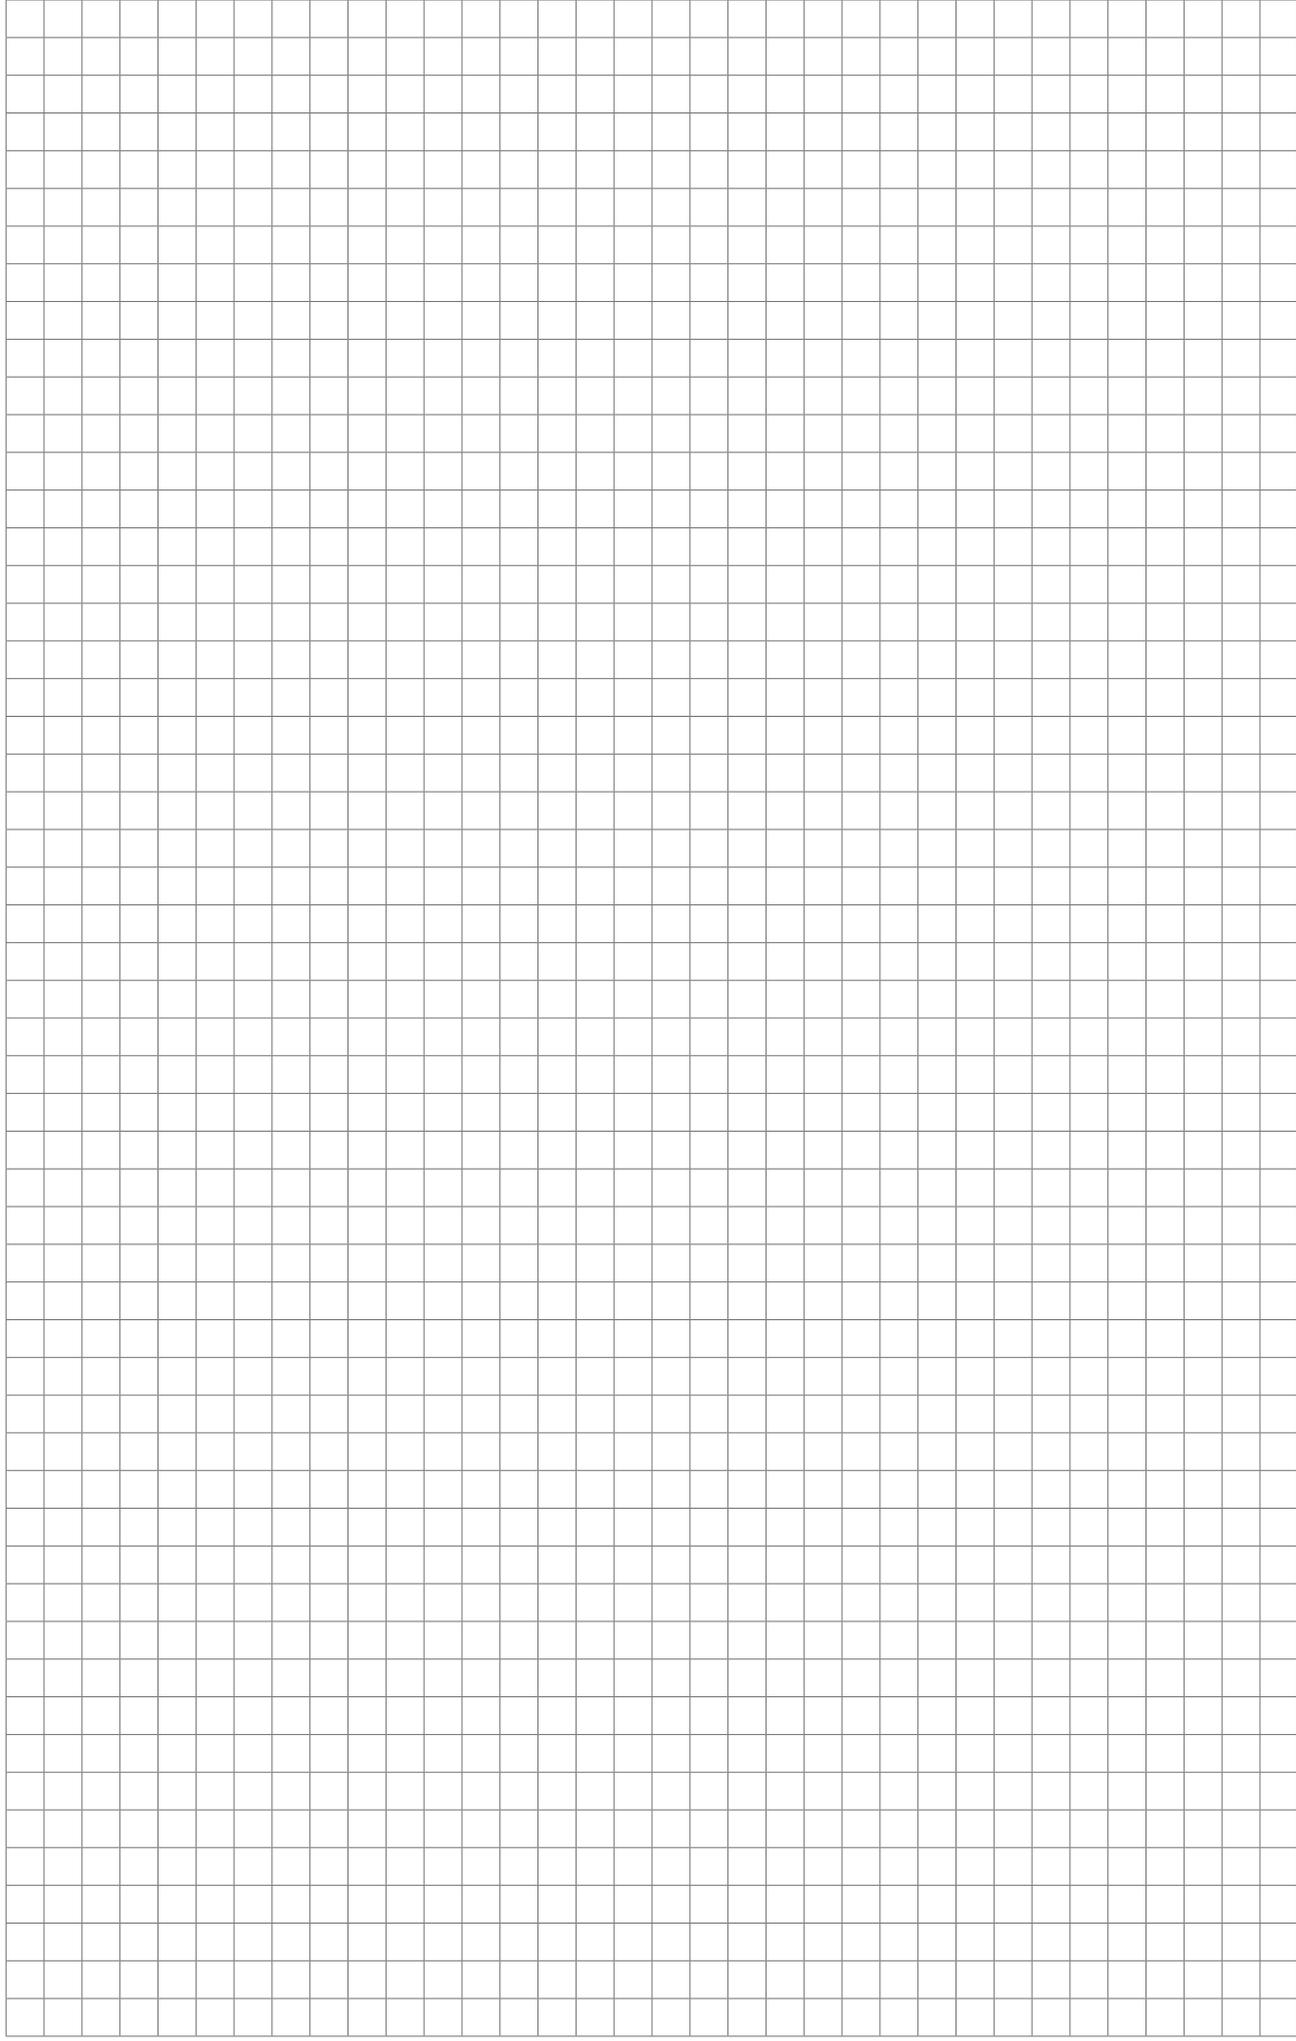

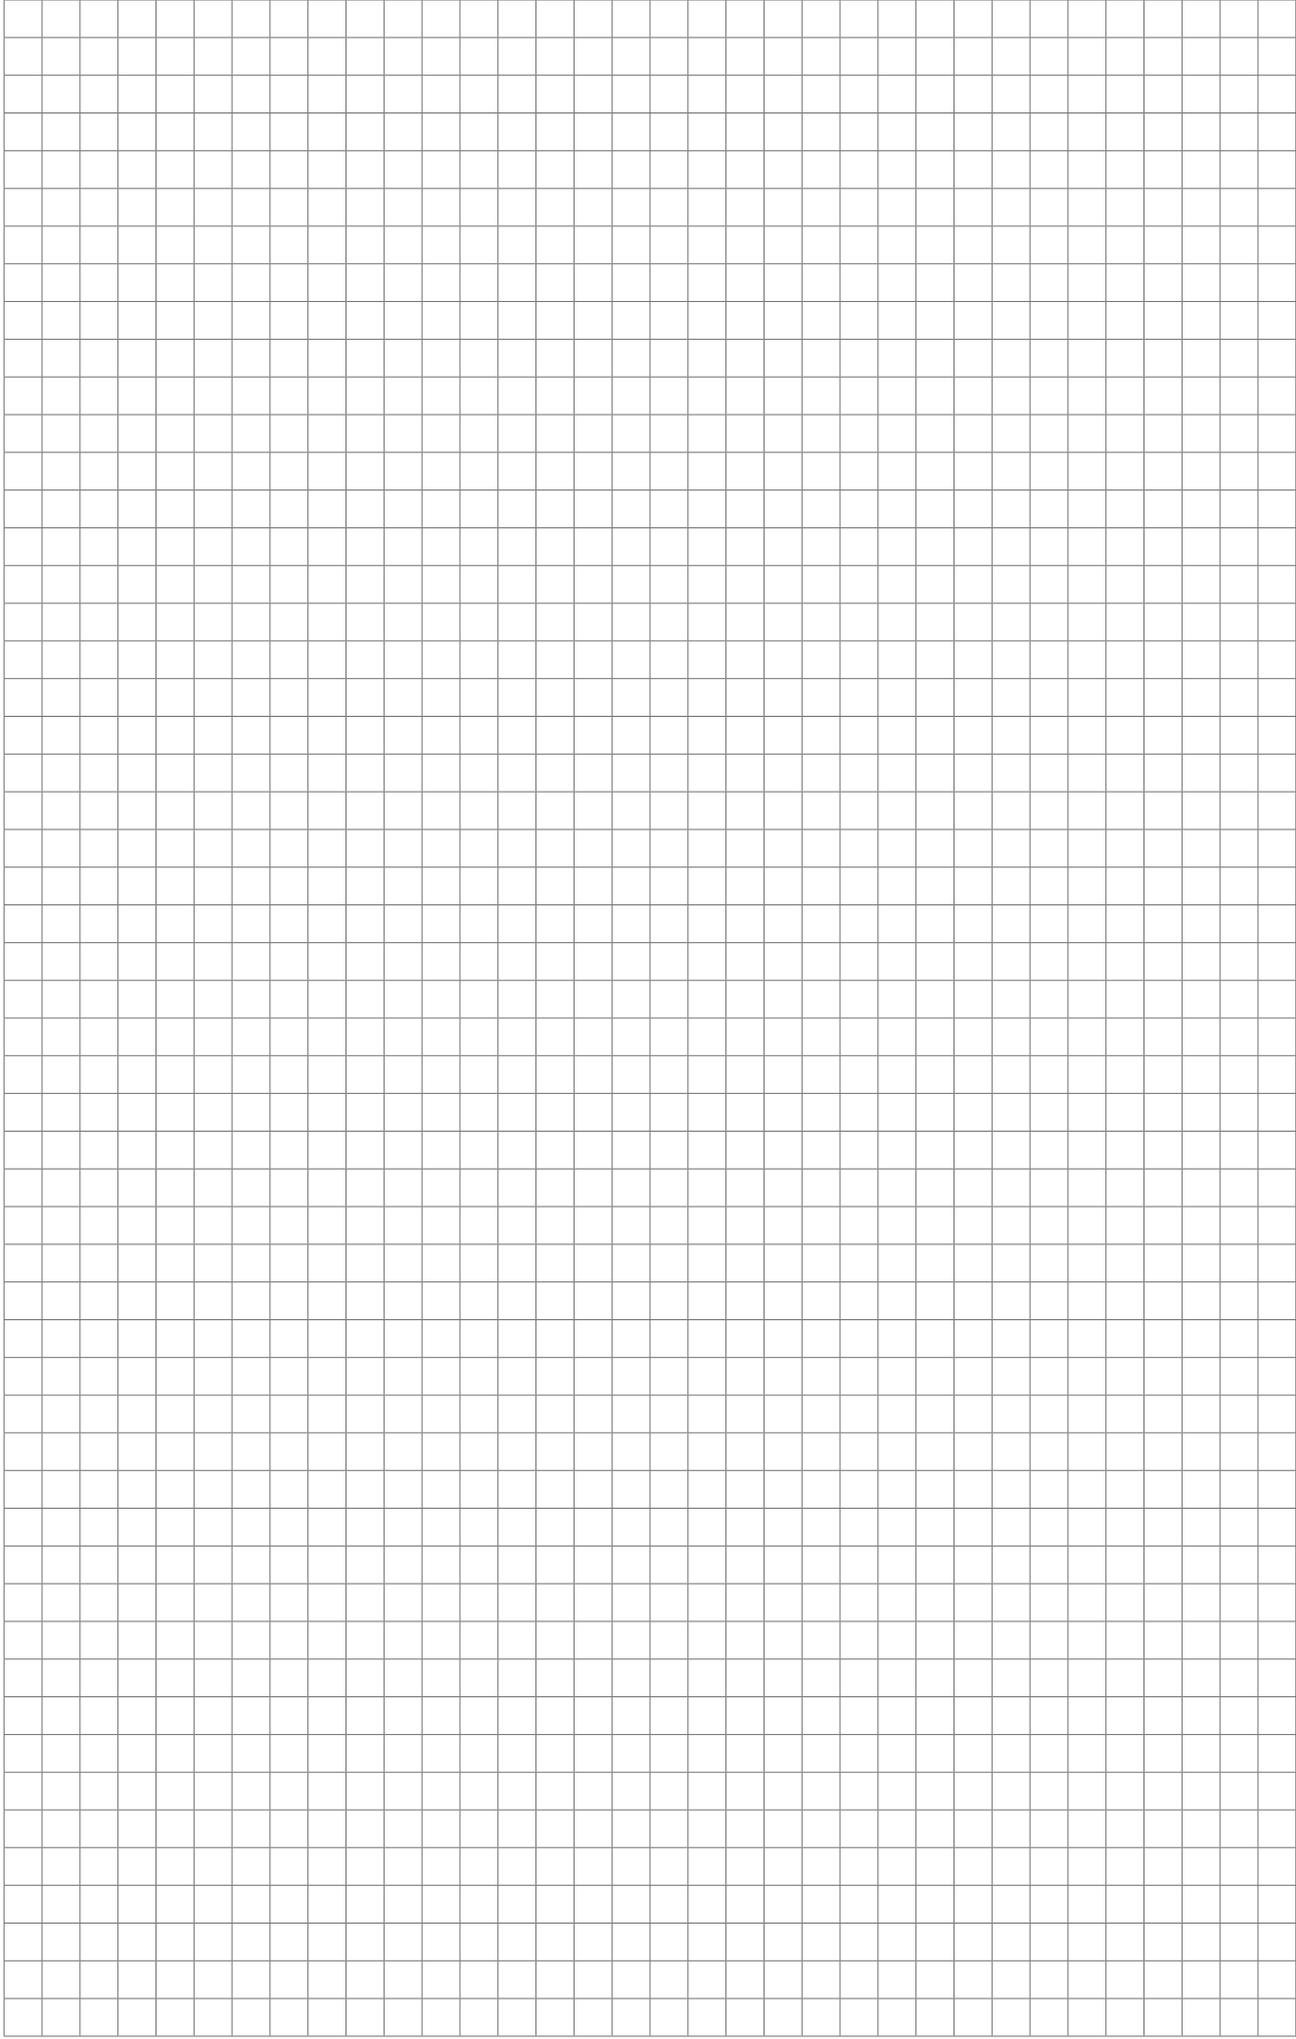

A practical alternative for existing floors without interfering with the structure.

Our systems are currently being optimised and restructured. You will soon find the current prices for our WCPS In-ground, Top floor and Raised floor systems in our digital price list.

Are you an OEM or integrator? Please contact us for special conditions.

Technical parameters and the benefits of the individual systems can be found online at: wcps.pohlcon.com.
